GOVERNMENT OF PUDUCHERRY
CHIEF SECRETARIAT (RURAL DEVELOPMENT)
(GO. Ms. No. 4, Puducherry, dated 21st December 2016)

NOTIFICATION

In the Cabinet meeting held on 4-10-2016 at Puducherry, it was decided that an amount of ₹ 20,000 (including Government of India share of ₹ 12,000 ) per toilet will be given as incentive towards construction of toilets to the rural households under the scheme Swachh Bharat Mission(Gramin). The Government of Puducherry has assured Government of India to achieve complete Open Defecation Free Communities by constructing toilets to the needy beneficiaries in the Union Territory of Puducherry, before 2nd October, 2017. The District Rural Development Agency has expressed its inability to issue ₹ 20,000 per toilet to many of the applicants, as they are unable to produce ownership documents. The Ministry of Drinking Water and Sanitation of Government of India has clarified vide Letter No. S-18/109/2015-SBM-Part(l), dated 28-4-2016 of the Ministry of Drinking Water and Sanitation, Swachh Bharat Mission(Gramin), New Delhi, that "the Swachh Bharat Mission(Gramin) guidelines do not make any distinction on the basis of place of stay of the person, since, the programme focuses at achievement of complete Open Defecation Free Communities and provision of access to safe sanitation, also keeping in view the provision of other statutes. It has also clarified that toilets should be provided to people staying on encroached land under SBM(G) and the same will be delinked from any form of tenure security or right of title on such land.

2. In conformity with the clarifications and instructions issued by the Ministry of Drinking Water and Sanitation and taking into account the practice being followed by this Administration is not insisting for ownership of the house while extending civic amenities like water supply and electricity connections, it has been proposed to extend monetary assistance to all those rural households who are in need of toilets to achieve the larger objective of Open Defecation Free Communities.

3. Therefore, to achieve the objective of Open Defecation Free Communities in the Union territory of Puducherry approval of the Lieutenant-Governor is hereby conveyed for giving incentive to the rural households irrespective of the type of land they are staying subject to the conditions that:-

(i) The privilege given is only for construction of toilets or toilets attached with bathroom under the scheme Swachh Bharath Mission (Gramin);
(ii) This does not confer any title over the land to the individual concerned/ beneficiary; and
(iii) The site on which toilet is proposed to be constructed should not be on any thoroughfare interrupting free passage to the public or any drain or channel or blocking any passage or easement open to the public.
