5. *Special Conditions for Sensitive Materials.*— The Mandatory Recycling Undertaking is a critical, legally binding security safeguard integrated into the Government of Puducherry’s disposal process. Its primary purpose is to address security and confidentiality concerns associated with disposing of sensitive institutional records.

(1) **Scope and Applicability:** While general scrap materials (such as newspapers, cardboard boxes, and iron scrap) can be sold and processed under standard commercial terms, certain items are classified as highly sensitive and confidential. The mandatory undertaking strictly applies to:

- * Item 10 : Old records

(2) **Core Legal Obligations of the Undertaking:** The successful bidder (HI) is legally required to execute this undertaking on a Non-Judicial Stamp Paper. Under the terms of this document, the contractor agrees to the following strict operational mandates:

* **Direct and Secure Transport:** The materials must be loaded securely from the school or Directorate premises and transported directly to authorised paper mills for immediate destruction. No intermediate storage, sorting at third-party yards, or transit delays are permitted.

* **Mandatory Shredding and Pulping:** The contractor must guarantee that the items will undergo immediate recycling and shredding.

* **Strict Prohibitions on Market Leakage:** The undertaking imposes an absolute ban on several actions to prevent public exposure or misuse:
